Questions to help guide your feedback for Canada Warbler, Common Nighthawk, and Olive-sided Flycatcher in Canada

1. Have you heard of Canada Warbler, Common Nighthawk, or Olive-sided Flycatcher before?
2. Have you seen these species in your area? If so, which ones?
3. Would you like to receive a copy of the draft recovery documents?
4. Would you like to become involved in future recovery document development? If so, in what capacity?
5. Which species at risk are your community interested in or concerned about?

Additional comments? (Please use back of questionnaire if needed)

Please send your completed questionnaire to:

Environment Canada, 9250 49 Street, Edmonton, Alberta, T6B 1K5

Email: SARA.PNR@ec.gc.ca

For more information about the conservation of species at risk in Canada, please go to the Species at Risk Public Registry (www.sararegistry.gc.ca) or contact Environment Canada at 1-855-245-0331 or SARA.PNR@ec.gc.ca.
