RE: AUDIT OF THE FINANCES OF THE ALBERTA CHAPTER OF THE WILDLIFE SOCIETY FOR THE CALENDAR YEAR 2012

Mr. Curtis Stambaugh (Secretary/Treasurer) of the Alberta Chapter of the Wildlife Society asked that I chair an audit committee to review the finances of the chapter for the 2012 calendar year. The audit committee consisted of myself, Kirby Smith and Richard Quinlan. Mr. Stambaugh provided the attached financial statement and all relevant materials and financial records for the purposes of our review.

Adding the opening balance to income generated and deducting expenses resulted in a balanced account.

We are satisfied that the finances of the Alberta Chapter of The Wildlife Society were in good order as of December 31st 2012 as summarized in the attached financial statement.
