

2018 JOINT AGM OF THE CANADIAN SECTION AND THE MANITOBA CHAPTER OF THE WILDLIFE SOCIETY

16-17 March 2018
Winnipeg, Manitoba, Canada

CALL FOR PAPER AND POSTER ABSTRACTS

Poster Deadline: February 3rd, 2018
Presentation Deadline: February 10th, 2018

You are invited to submit titles and abstracts for paper and poster presentations at the Joint AGM of the Canadian Section and the Manitoba Chapter of the Wildlife Society. Presentations on wildlife management, research, monitoring, species biology, and new techniques in Canada and abroad are all welcome.

Presentations will be **15 minutes** in length, **including** introduction of the presenter and time for questions. Posters should be follow guidelines provided below. A **\$100 prize** is awarded to the *best* student paper and student poster.

Please submit the **Abstract Submittal Form** with each abstract, and include the following information:

1. Lead author name, affiliation, mailing address, phone number(s), and e-mail address
2. Names and affiliations of additional authors
3. Presentation title
4. ABSTRACT (You must use the following guidelines and example; please note that *all abstracts are printed in the program booklet and must strictly follow format guidelines.* The abstract you will submit will be the final that is printed in the program booklet).
5. Biosketch

Biosketch Guidelines:

- Follow first four bullets of abstract format guidelines
- Include pertinent background information on presenter
- Limit to three sentences

Abstract Format Guidelines: only digital copies accepted

- Use Microsoft Word
- Abstracts must be typed single-spaced within a 1” margin. Use a one-line spaced between the title and the text block
- Font size should be 10 point, Times New Roman Font.
- Abstract should be a distillation of the purpose, methods, results and conclusions, and should not exceed **250 words**. No hard copy returns within a paragraph.
- Geographic location of the work should appear in the abstract or title.

Format Example (1 inch margins)

Foruew, E.Z. and U.R. Krasey. A NEW WAY TO CONDUCT WILDLIFE MANAGEMENT IN THE BOREAL FORESTS OF ALBERTA. Wildlife Science Group, Alberta Natural Resources Service, #625 Ivory Towers, Edmonton, AB T6J 1E9 and Department of Regional Perspectives, Athabasca University, Athabasca, AB T4T 7K3.
